

*Voices ready to sing.
Hands ready to play.
Young minds ready to inspire.
All they need is you.*

Lincoln Park High School is home to a thriving Performing Arts Program. Every year, gifted young performers offer their voices, hands and minds to be developed. Sadly, the performance space at Lincoln Park is in serious need of renovation. Originally built over 40 years ago, the current space is badly worn and functionally obsolete.

Please help create a performing arts facility that lives up to the exceptional promise and talent of our students.

Please help transform the existing auditorium into a space that inspires young minds.
